

21st Century Lord's Prayer

Ground of All That Is,

Infinite field of consciousness,

Holy Spirit is one name.

Creative waves of possibility,

Unfolding into materiality,

From transcendent potential.

The Holy Spirit within us,

Bringing forth our creativity,

Provides our daily sustenance.

Forgive us our selfish actions,

Arising from ignorance,

That we too learn to forgive.

Lead us out of self-centeredness,

And show us the Unity of being,

Infinite Source of All That Is.

Love in unity, and Unity in love,

In timeless eternity,

Om.
