

Paradox

Spirit anticipates,
Prepares with devotion
Submerges itself in matter.
Divine gifts held,
Karmic patterns to unfold,
Intelligence, creativity and joy.
The vehicle is ready,
Yet is divided within itself,
Parallel tracks laid in separation.
Contradiction,
Conflict splits the self,
A paradox defying reason arises.
Evolving mind obsessed,
Seeking a way through paradox,
Focused on a rational pursuit of sanity.
Divine gifts,
Submerged in struggle,
Potential blunted by paradox.
