

## Carol's Baked Beans

1/2 lb. of cooked, drained, and diced bacon  
1/2 lb. of cooked, drained, and crumbled ground beef  
1 cup of diced onion, cooked

1 can (28 oz.) pork and beans  
1 can (17 oz.) Butter Beans, drained and rinsed  
1 can (15 oz.) Kidney Beans, drained and rinsed

1/2 cup B-B-Q sauce  
1/2 cup ketchup  
2 Tbsp. molasses  
2 Tbsp. prepared mustard  
1 tsp. salt  
1/2 tsp. chili powder

The actual recipe calls for a 1/2 cup of white sugar and 1/2 cup of brown sugar -- too sweet.

Mix all together, and transfer to a 2 1/2 quart baking dish. Cover and bake at 350 for 45 minutes.  
Uncover and bake 15 minutes longer.

Or, pour into a crock pot and heat. Since the meats and onion are cooked ahead of time, cooking time doesn't really seem to matter.

**Addendum:** Increase the amount of meat with either more ground beef, pork or turkey and serve over brown rice as a main dish.
