

Mom's Bean Salad

2 cans of red kidney beans

2 boiled eggs

1 stalk of celery

1/4 cup Hungarian relish (or dill/sweet relish)

1/4 cup finely chopped sweet onion

1/4 cup mayonnaise

Salt and Pepper (to taste) I use 1 tsp No-Salt and 1/4 tsp pepper.

Paprika (to taste) I use 1/2 tsp of paprika.

Drain and rinse the kidney beans and place in a bowl. Split the stalk of celery lengthwise and then slice it crosswise into thin slices. Add the celery, chopped onion and relish to the beans. Mix these ingredients. Cut each boiled egg in half. Put each half flat side down on a cutting board and cut into quarters lengthwise then cut each half into quarters crosswise. Add the diced eggs to the mixture. Add salt, pepper and paprika to taste. Mix ingredients. Add the mayonnaise and mix the ingredients. If too dry, add more mayonnaise. This dish is best if made in advance and chilled overnight in the refrigerator but this isn't required. Just before serving mix the ingredients again. Makes four ample servings.
